

**Project:** Club Nokia  
**Customer:** Club Nokia

**Location:** Los Angeles, CA  
**Completion:** March 2013

**Scope:** A one-of-a-kind, high-tech performance center, Club Nokia is located in the epicenter of the entertainment capital of the world: the L.A. LIVE complex. Using Sightline Commercial Solutions' flagship product, the SC90 platforms, Club Nokia is able to level out its stage flooring to be even with the rest of its venue for corporate events, private parties and special performances. The Sightline Commercial Solutions SC90 platforms enable Club Nokia to easily and quickly setup leveled flooring whenever needed. Featuring 59,000 square feet and the ability to accommodate over 2,300 guests, this is the perfect venue to host unique events and live entertainment.

We elevate places where experiences happen by providing innovative engineering, fabrication, and installation solutions to the most complex challenges. Discover our unconventional approach.
