

# Platform Guardrail Cart

## Transport & Storage

For convenient transport and storage of guardrails, we offer guardrail carts. These welded steel tube carts permit guardrails to hang from integral brackets for the most compact and efficient storage possible.

### Technical Specifications

- Carts serve as both storage and transportation units.
- Constructed with heavy gauge structural steel tubing with black powder coat finish.
- Two 8" (203 mm) diameter rigid and two 8" (203 mm) diameter swivel casters for ultimate maneuverability.
- Forklift guides optional.
- Additional sizes available to suit your various application needs.
- 12 Guardrail Cart fits thru most doorways.

### Weights and Dimensions

	Empty Weight*	Size without guardrails	8' Guardrail Capacity
