

Prudential Center

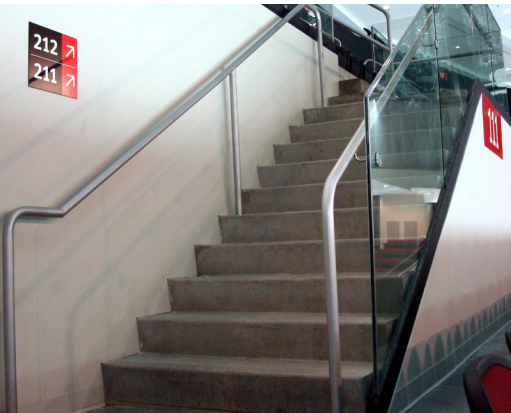

Hockey Arena

Project: Prudential Center
Architect: Populous
Completion: October 2007

Location: Newark, NJ
Contractor: Gilbane Construction

Scope: The Prudential Center is a modern multi-purpose arena located in Newark, New Jersey. It serves as a prominent venue for various entertainment events, including sports games, concerts, and cultural performances. Sightline Commercial Solutions designed, manufactured, and installed over 8,000 linear feet of ornamental railing throughout the Prudential Center, home to the New Jersey Devils. Track Rail™ glass railing lines the perimeter of all seating bowls, beverage railing for restaurant seating was installed along the exterior glass walls, and courtesy aisle railing are found throughout the arena. Sightline Commercial Solutions custom designed specialty four seat tables for VIP seating. These granite surface tables, with TVs mounted on the tabletops, are designated for season-ticket holders and are placed at the ends of the arena and connected to the courtesy railing.

Track Rail glass railing system complimented by our aluminum Gripail™.

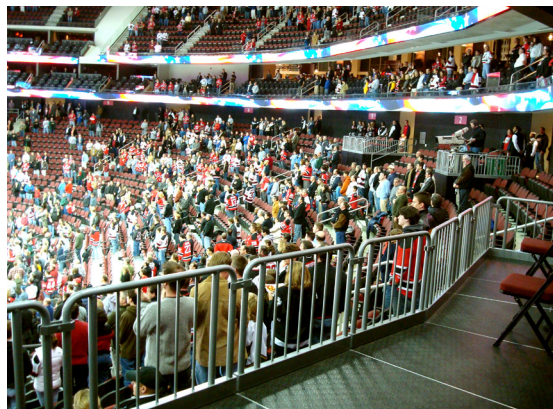

Track Rail lines the front of fan seating areas, and aluminum railing divides suites.

Core drilled aluminum aisle railing throughout the arena.

Custom designed four seat tables for VIP seating with granite surface tops.

Classic Picket Railing surrounding ADA compliant platform seating areas.

Top mounted aluminum painted Gripail at back of fan seating area.
