

Dawson County Performing Arts Center

Theater

Project: Dawson County PAC

Location: Dawsonville, GA

Completion: September 2016

Scope:

In the fall of 2016, Sightline Commercial Solutions supplied the Dawson County Performing Arts Center with a Bravado® Acoustical Shell to ensure optimal acoustics for the 1,000+-seat facility in Dawsonville, Georgia. Featuring aluminum alloy towers comprised of movable panel wings that lock into place, the flexible system can be customized and reconfigured to meet the needs of different types of functions, from musical, theatrical and visual productions to choral concerts and community events. Overhead ceiling panels feature a motorized operation mechanism that allows the system to effortlessly transition from performance position to storage mode.

We elevate places where experiences happen by providing innovative engineering, fabrication, and installation solutions to the most complex challenges. Discover our unconventional approach.
