

# Nationals Park

## Ballpark

**Project:** Nationals Park  
**Architect:** Populous  
**Completion:** March 2008

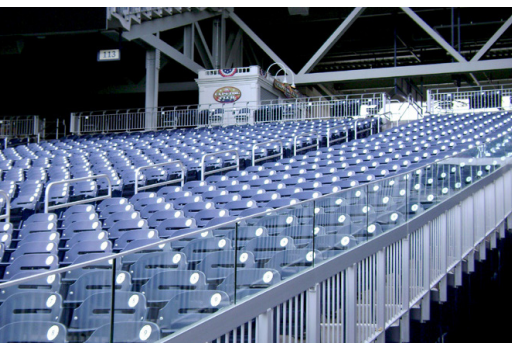

**Location:** Washington, D.C.  
**Contractor:** Clark | Hunt | Smoot

**Scope:**

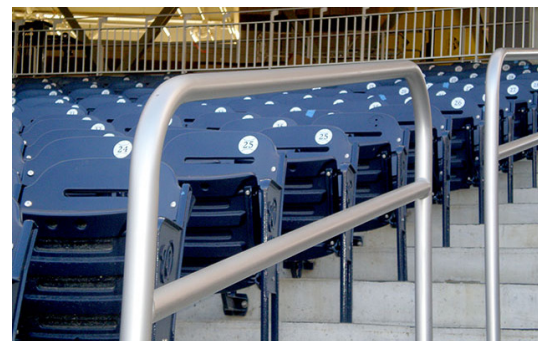

Nationals Park, home of the MLB Washington Nationals, showcases close to 25,000 linear feet custom ornamental railing engineered and fabricated by Sightline Commercial Solutions. Featured throughout the ballpark is the Classic style, picket railing and base shoe style glass railing. These railing systems guides fans through the facility, helps them maneuver up and down the aisles, and most importantly, keeps them safe.
