

Portable Platform

The Clima-Core® Platform is Sightline Commercial Solutions' weather-resistant platform, specially designed for outdoor use. This single-sided, semi-permanent platform is constructed with the same level of strength and durability as our cornerstone SC90® Platform, with the added benefit of being able to withstand the natural elements of the outdoors, such as hot or cold temperatures. The Clima-Core® platform is water resistant and will not rot, swell, warp or absorb moisture. Plus, the construction of this demountable platform is impervious to ants, termites, moths, bugs, and beetles making this platform an ideal candidate for long-term outdoor placement.

Portable Platform

Dimensions and Weights

	4' x 8' (1.22m x 2.44m)	4' x 6' (1.22m x 1.83m)	4' x 4' (1.22m x 1.22m)	3' x 8' (0.92m x 2.44m)	3' x 6' (0.92m x 1.83m)	2' x 8' (0.61m x 2.44m)	3.28' x 6.56' (1m x 2m)
